

# CABLE DE RED SCHUKO M/C13 H

## TECHNICAL PARAMETERS

- 10 A / 250 V VDE tested
- Colour grey
- Suitable for Germany, Belgium, France and further (see overview)

|   |                                   |
|---|-----------------------------------|
| <b>Connection 1:</b>                      | SCHUKO plug, straight             |
| <b>Connection 2:</b>                      | Cold device plug straight, female |
| <b>Number of cores:</b>                   | 3                                 |
| <b>Material outer sheath:</b>             | PVC                               |
| <b>Temperature resistance:</b>            | 0 - 70 °C                         |
| <b>Nominal voltage:</b>                   | 250 V                             |
| <b>Spiralized cable:</b>                  | False                             |
| <b>Protective conductor:</b>              | True                              |
| <b>Oil resistant (acc. EN 60811-2-1):</b> | False                             |
| <b>With cord switch:</b>                  | False                             |
