

ADAPTADOR HDMI TIPO A H/H

Enable the connection for HDMI-cable to a screen

TECHNICAL PARAMETERS

Connections

- HDMI 19-pin femal
- Fully shielded to reduce electromagnetic interference (EMI) and other sources of interference
- Provides up to 5 Gbps of bandwidth
- PVC coating die

Internal specifications

- 30 AWG connector
- 7-wire (5 cm)
- Shielde
- Current rating: .5 A D
- Voltage: 300 V D
- Insulation resistance: 50 MOhm
- Resistance of conductors: 2 Ohm
- Plastic coating resistant to temperature

Contacts

- Nickel-plate
- PVC coated cas
- Shielde

Dimensions

- 40.2 mm x 50.8 mm x 15.2 mm (L x W x H)

Certifications

- UL 1007, ISO9002, RU, C

Package Contents

- Adapter HDMI F /
